Eicher Pro 3015

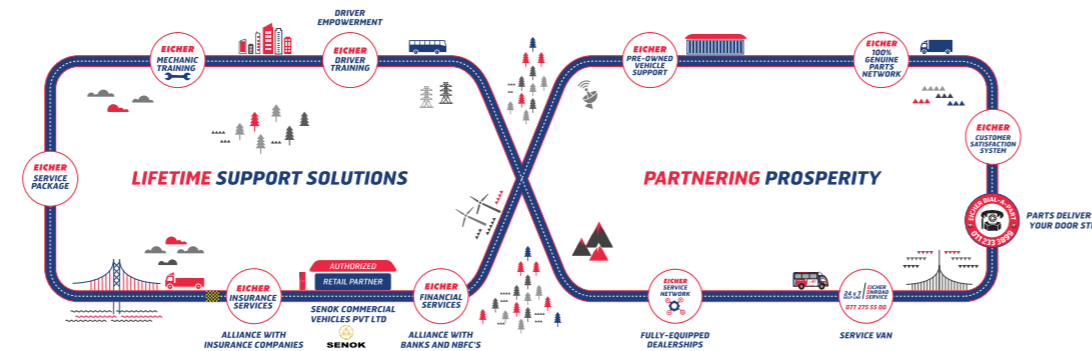

The 15.7 Ton GVW Truck

TRUCKS AND BUSES

AHEAD OF TIME!

The most fuel-efficient 10.3 ton rated payload truck powered with next-generation technology.

King of Fuel Efficiency

Eicher Pro 3015

Redefining levels of performance and profitability, leading to high Vehicle Lifetime Profitability (VLP)

Eicher Pro 3015 is set to revolutionize the commercial vehicle industry by creating all new 15 ton GVW segment in India. It will cater the needs of all those 16 ton customers who operate on rated load applications for inter-state transportation of goods. With a new generation highly fuel-efficient engine and world-class cabin, it offers state-of-the-art features, high level of comfort and safety along with superior overall performance. Eicher Pro 3015 is going to set new benchmarks in performance and profitability.

- Best-in-class fuel efficiency
- High rated payload/ 10.3 ton @ JHSD
- Modern world-class sleeper cabin comfort
- Fast pick-up and acceleration
- Superior uptime
- Optimized maintenance cost

EICHER E494 - HIGH PERFORMANCE ENGINE

Next generation CRS 4 cylinder 4 valve engine with Volvo Group EMS 3.0

Max power output - 101 Kw (135 HP) @ 2600 rpm

Max torque output - 450 Nm @ 1200-1800 rpm

Segment leading fuel efficiency and superior performance

New 4 cylinder engine with high combustion efficiency and low parasitic losses, leading to higher fuel efficiency

Advanced fuel injection technology

NEXT GENERATION SLEEPER CABIN

Modern world-class spacious cabin with state-of-the-art features

Designed to provide best-in-class comfort and a superior ride

Digital instrument panel with advanced features like cruise control and fuel coaching for driver assist

CED painted cabin with high gloss life

Other Features

Dual panel cabin / 3 point ELR seat belt / Battery carrier with air tank mountings for easy serviceability / Rest kit & sleeper cab availability as option / Wide angle ORVM / Butterfly quarter glass for better ventilation / Bumper integrated headlamp / Lower footstep height

Superior aesthetics

Aerodynamic cabin with modern styling

Dual panel cabin with cockpit-like styling

Instrument panel with trip mileage meter and diagnostics

Enhanced convenience

Lockable glove box

Heavy tray on both sides inside the cabin

Stylish room lamp

Clutch pedal foot and heel pad

Supreme comfort

Hybrid GSL

Tilt and telescopic steering

Wide door opening (up to 80 degree)

6-way adjustable driver seat

Rugged aggregates

6-speed OD gearbox

Domex chassis with high tensile strength

Air processing distribution assembly for long life effective braking

Monotron propeller shaft, 'lubricated for life'

NEXT GEN FEATURES

IDIS - Intelligent Driver Information System giving information on operational data, fuel consumption and on board diagnostics

Cruise control comfortable for longer drive (first time in Indian commercial vehicle industry)

Fuel coaching and on-board diagnostic with real time guidance to drivers

When to accelerate

When to change gear

Driving ok!!

GO PRO

The Eicher PRO Series is a range of next-generation trucks and buses from 4.9 to 49 tons, designed to take the industry to a new professional level. It brings together the Volvo Group's world-class technology and processes and the frugal engineering and local expertise of Eicher. In keeping with the 'Go PRO' philosophy, the Eicher PRO Series promises to deliver higher profitability and more prosperity to its customers through best-in-class fuel efficiency, superior uptime and better overall vehicle performance.

Applications
Eicher Pro 3015 is suited for varied applications
