• Accessories and features shown in picture or elsewhere may not constitute standard fitment.  
• As a result of continuous research and innovations carried out, specifications are merely indicative and are subject to change without notice.

# Eicher Skyline Pro AC

The Eicher Pro Bus Series is designed to redefine your travel experience as it seamlessly blends style and comfort into one.

Bringing together the Volvo group processes and technology in synergy with frugal engineering and local expertise of Eicher, the "Eicher Pro Bus series" is a range of new generation Buses designed to deliver best-in-class fuel efficiency, superior uptime and overall higher VLP (Vehicle Lifetime Profitability). Build and assembled at the state-of-art Eicher Bus manufacturing facility; Eicher Skyline Pro, beautifully infused with new-age aesthetics, takes passenger safety and comfort to next level.

## EICHER E494 - HIGH PERFORMANCE ENGINE

**Max Power Output -  
134 HP @ 2600 RPM**

**Max Torque Output -  
450 Nm @ 1200-1800 rpm**

**BS IV compliant**  
Volvo Group Engine Management System EMS 3.0  
Proven technology  
Best-in-class fuel efficiency  
Optimized torque and power  
Unique swirl intake port design, 'enhanced fuel efficiency'  
FIP linked to LDA, 'intelligent fuel supply'

- Enhanced passenger safety and comfort
- Superior build quality
- Pleasing aesthetics
- Best-in-class fuel efficiency
- Ease of maintenance
- Best-in-class cooling

## NEW GENERATION FEATURES

Maximum number of seats in its category- More revenue

Bucket type HHR seat with body profiling- Higher passenger comfort

Lowest floor height in its category- Ease of embarking and disembarking

Robotic painting- High gloss-95% and DOI-7-Excellent fit and finish

Attractive front and rear styling- Exemplary looks

Sleek integrated head lamps- Stylish and contemporary

Attractive and ergonomically designed driver area - Driver comfort

High intensity LED saloon lamps-integrated with hatrack - More space, better aesthetics and illumination

AC Vent

PVC molded roof lining- Attractive and easy to maintain

Parabolic suspension- Better ride comfort

Radial Tubeless tyres- Better ride comfort, mileage and puncture resistant

Hybrid Gear Shifting Linkage- Ease of gear shifting

Quarter glass window- Proper ventilation for driver

## FUEL COACHING

Guidance for optimised speed and gear combination

When to accelerate

When to change gear

Optimised driving speed

## BETTER FUEL MILEAGE

GO PRO

The Eicher Pro Series is a range of next-generation trucks and buses from 5 to 49 tons, designed to take the industry to a new **PRO**fessional level. It brings together the Volvo Group's world-class technology and processes and the frugal engineering and local expertise of Eicher. In keeping with the 'Go **PRO**' philosophy, the Eicher **PRO** series **PRO**mises to deliver higher **PRO**fitability and more **PRO**sperity to its customers. This fulfills, through best-in-class fuel efficiency, superior uptime and better overall vehicle performance.
