PARTNERING PROSPERITY

Two leading players in the commercial vehicle business joined hands in 2008 with a convergent vision of driving modernization in commercial transportation. Volvo Group, the world's leading manufacturer of trucks, buses, construction equipment and marine and industrial engines, has infused its global expertise and world-class technology, with Eicher Motors' innovative engineering and proven DNA of fuel efficiency.

VECV includes the complete range of Eicher commercial vehicles, components and engineering design businesses as well as the sales and distribution of Volvo trucks in India. Each of its business units is well-established and backed by a sizable customer base.

- Best-in-class fuel efficiency
- Frugal engineering & operations
- Indian leader in medium-duty trucks
- Strong aftersales support

- Environment & safety conscious
- World-class technology
- Global leaders in heavy-duty trucks
- Customer-driven solutions

EICHER'S EURO-V STORY

Eicher is creating a new benchmark in the commercial vehicle industry with a revolutionary Euro V solution that combines global technology with innovative support services. This solution doesn't just make your vehicle Euro V compliant but ensures higher productivity of the truck and profitability of your business.

Euro V expertise

VECV has been manufacturing & supplying Euro V engines to Volvo Group since 2018. The engine has been tested for more than 10,00,000 Kms

Superior Uptime

With the new Euro V technology, Eicher Trucks are now designed to deliver superior uptime, ensuring timely deliveries, maximum fleet productivity, and consistent profitability on every trip

Efficient EATS and Engine Technology

With the improved Euro V technology, Our EATS system will now treat and control pollutants like NOx, CO, HC and PM more efficiently, through different chemical processes

Superior Reliability and Durability

With the Euro V technology, our trucks are equipped with superior Reliability with stronger and improved aggregates.

DO MORE WITH EICHER PRO 6018

The new Eicher Pro 6018 is the next generation 18 tonne GVW Tipper. With the power of 210HP and higher Torque Output of 1200Nm the Eicher Pro 6018 is designed to deliver Relentless Performance

Relentless
Performance

Superior
Uptime

More Comfort & Safety
with Enhanced Comfort & Safert

• Superior Uptime

In any Segment Uptime is everything and Pro 6018 is designed to ensure optimum utilization of all the assets. Pro 6018 delivers superior uptime ensuring that operations never stop.

- ET90S6 9 speed gearbox
- Bogie Suspension
- VECV Rear Axle

• Relentless Performance

The new Eicher Pro 6018 is equipped with world class Volvo VDEX5 Engine. The VDEX5 engine clubbed with Volvo Group's EMS, delivers high peak torque over a wide range of RPM, ensuring relentless performance

- Volvo VDEX5 Engine
- Volvo Group EMS

• Enhanced Comfort and Safety

The Pro 6018 cabin has been designed keeping in mind the harsh conditions that drivers have to face. This Global standard cabin provides a comfortable and safe workspace that ensures maximum driver efficiency.

- Volvo Engine Protection System
- Advanced On Board Diagnostics
- Air Filter Restriction Indicator
- Intelligent Driver Information System
